Specchio con cornice bombata a specchio, specchio tutto chiaro, tutto grigio o tutto bronzo.

Spiegel mit gewölbtem Spiegelrahmen. Spiegel alle klar, grau oder bronze.

Mirror with curved mirror frame, all clear mirror, all grey or all bronze.

Al tomar de la mente, che ei chiuse
dinanzi a la pietà d'i due cognati,
che di bestialità tutto mi confuse,

novi tormenti e novi tormentati
mi veggio intorno, come ch'io mi mova
e ch'io mi volga, e come che io guardi:

io sono al terzo cerchio, de la piovra
eterna, maledetta, fredda e greve;
regola e qualità mai non l'è nova.

Grandine grossa, acqua tinta e neve
per l'aere tenebroso si riversa;
pule la terra che questo riceve.

Cerbero, fiera crudele e diversa,
con tre gole caninamente latra
sopra la gente che quivi è sommersa.

Li occhi ha vermigli, la barba unta e
e 'l ventre largo, e unghiate le man;
graffia li spirti ed iscoia ed isquarta.

Un'altra fa la pioggia come canti,
de l'un de' lati fanno à l'altro schen;
volgonesi spesso i miseri profanti.

hai
ntà,
mai.

olente
ona,
saccente".

iena
acco,
a.

E quelli a me: "Dopo lunga tencione
verranno al sangue, e la parte selvaggia
cacerà l'altra con molta offensione.

Poi appresso convien che questa caggia
infra tre soli, e che l'altra sormonti
con la forza di tai che testé piaggia.

Alte terrà lungo tempo le fronti,
tenendo l'altra sotto gravi pesi,
come che di ciò pianga o che n'aonti.

E quelli: "Ei son tra l'anima più
diverse colpa già ti grave al far
se tanto scendi, là i peccati vedano."

Ma quando tu sarai nel dolce mondo,
pregoti ch'a la mente altrui mi rechi;
più non ti dico e più non ti riapondo."

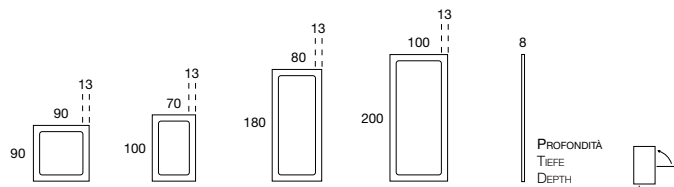

Li dritti occhi torse allora in bianchi;
guardommi un poco e poi chinò la testa;
cadde con essa a par de li altri occhi.
